

## I Spy Wilmette

### Central School Third Grade, 1896

Have fun looking at this photo of Wilmette third graders from long ago!

1. Can you find the teacher?
2. How many students in this 3<sup>rd</sup> grade class?
3. All of the girls are wearing hats, except one. Can you find the girl without the hat? [Her friend may be holding her hat!]
4. None of the boys are wearing hats, but four boys can be seen holding them. Can you spot them?
5. Are the boys wearing long pants or short pants?
6. Can you spot the animal in this class photo? Do you think it was visiting the class or was it one of the third graders?
