

## I Spy Wilmette

Corner of 4<sup>th</sup> and Linden, 1924

Do you recognize this building? It is now a bank, but it was the Linden "L" station from 1913-1993.

Can you find these things in the photo?

1. Four cars (some are taxis)
2. A Bicycle
3. A mailbox
4. Trains - how many can you spy?
5. Fire hydrant
6. Electrical poles
